Dear Potential Member:

Thank you for your interest in the Estate Planning Council of Cleveland! We are delighted that you are considering membership in our association and look forward to welcoming you as a new member very soon.

EPC Cleveland is a diverse, multi-disciplinary membership organization comprised of those who are significantly engaged in the field of estate planning. While a gateway degree or designation is typically required, others with substantial work experience in the estate planning or related fields may be considered for regular membership at the discretion of the Board of Trustees. Our core belief is that the client is best served by the team approach to estate planning. As a result, we admit to membership Certified Public Accountants, Chartered Life Underwriters, Chartered Financial Consultants, Certified Financial Planners, Trust Officers, Chartered Financial Analysts, Certified Wealth Strategists, Chartered Advisors in Philanthropy, those with a Master of Science in Financial Services, or an attorney licensed to practice law in the State of Ohio.

EPC Cleveland is a member council of the National Association of Estate Planners & Councils, the association of choice for estate planning professionals. Spanning the entire United States, NAEPC boasts 260 estate planning councils and their 29,000 individual members and provides a national forum for networking an education.

The benefits of membership are many! Monthly educational programs from field experts, an excellent in-person and virtual networking environment, member discount programs, access to alternative educational opportunities, and online visibility, just to name a few! You are encouraged to visit our website for additional information on the various opportunities – www.epccleveland.org.

When submitting your application, please make sure to complete it in its entirety and to include a resume or CV along with payment. You are also welcome to submit a brief statement supporting your involvement in the estate planning community, should you wish. A sponsor is required and that person should be a current member of the council. Applications are typically processed within 3 weeks of receipt and you will receive a letter in the postal mail after the application has been processed.

Our office is always available to you at admin@epccleveland.org or 216-696-1228 for questions about the council or the application process. Please let us know how we can help!

Best wishes,

The Estate Planning Council of Cleveland Board of Directors
